Not just her words... her actions.

# Ossining First. Elect Penny Markowitz-Moses Mayor

*"I grew up and spent my whole life in Ossining. This Village has given me and my family a lot. Serving on the Village Board has allowed me to give something back to the Village and people I hold so dear. But I want to do more. I want to make sure Ossining continues to be a place where families of all backgrounds can find a happy, healthy home that nurtures and brings out the best in people, the way it did for me."*

**Penny Markowitz-Moses  
Deputy Mayor**

**Penny lives by her words and her actions.** For the 10 years she has served as a Village Trustee, Penny has, time and time again, lived her philosophy: Ossining First. Councilman Mike O'Connor explains, "That means she puts people and principles first, before politics. Everything she does has to pass her litmus test: Is it good for Ossining?" Her record proves this.

**Penny stands with Ossining seniors in front of the Joseph G. Caputo Community Center.**

**Penny is the best qualified candidate.** For six of her 10 years as a Village Trustee, Penny has served as our Deputy Mayor. This service has given her unique insight into the issues facing the Village. As Deputy Mayor, Penny has served on the Inter-Municipal Agreement Committee and represented the Village at many important meetings and conferences. Simply put, Penny has been a major contributor to the Village's progress and positive record of the last six years. Retiring Mayor Tom Cambariere puts it this way: "I don't know how we could have done it without Penny. She has been a tremendous help to me. As Deputy Mayor, she has the experience, knowledge and proven ability to be the next mayor."

**Penny loves Ossining.** A lifelong resident, Penny learned to walk at the family business, Markowitz Men's Store, on Main Street. She and her husband Albert Moses, who died in 1997, were deeply involved in Village matters and could always be counted on to help in civic projects. Penny does her homework, speaks her mind and brings honesty and enthusiasm to Village government. Deputy Mayor Penny Markowitz-Moses will be a great mayor.

## **Public Input Wanted and Welcomed**

Open government has been a hallmark of the current Village Board, and under the leadership of Penny, Ernest and Cristina this tradition will continue. Ossining's citizens have actively participated in developing a wide range of programs and policies including the "Downtown Ossining Vision Plan," and the efforts to bring greater diversity to the Village Police Department. A recent *Journal News* editorial praised the open process in reviewing the Harbor Square Plan, noting that "no one can rightfully say the Ossining Board of Trustees didn't seek public input."

With Penny, Ernest and Cristina, public input and participation will always be welcomed and encouraged.

Keep Ossining on the cutting edge...

## Re-elect Trustee Ernest McFadden

Ernest and County Legislator Richard Wishnie.

Ernest seeks his fourth term as your Village Trustee. He is presently employed as an Industry and Government Affairs Manager with Heineken, USA.

A 30-year resident of Ossining, Ernest now shares this special village with his wife, Patricia, and their two children. It is important to have elected officials who are "typical" residents, who understand the importance of and difficulties that come with balancing a family life, a professional career and Village responsibilities. Ernest is that type of elected official, one who brings these perspectives to his role as Village Trustee.

Ernest is an Ossining High School graduate and holds a Bachelor of Science degree from Marist College. He has taken a special interest in improving Ossining's recreation and youth programs, in addition to paying close attention to Village finances.

As the first African-American to be elected Village Trustee, Ernest brings a much needed perspective to the Village Board, although, as he is quick to point out, "I represent all of the people of the Village and seek to be the catalyst to bring us all together."

County Legislator Richard Wishnie urges,

“Keep Trustee Ernest McFadden working for Ossining.”

A new voice for the Village Board...

## Elect Cristina Da Silva Trustee

Four years ago, Cristina ran for Village Trustee with our opposition. She so impressed us that we have asked her to run with the new Ossining Democrats this year.

Cristina is a 20-year Ossining resident and a graduate of Ossining High School. She is active in various community activities, including the effort to register all eligible voters. Cristina also volunteers within the Portuguese community. She hopes to bring that experience and insight to Ossining's other ethnic groups in order to strengthen the Village and its diversity.

An energetic and bright graduate of Pace University who holds a law degree from Pace Law School, Cristina currently works in the family real estate business, bringing a set of skills and experience that will serve the Village well as a member of the Board. She is an independent thinker and a good team player who will bring new and dynamic ideas to Village government.

These are just some of the many credentials that will make Cristina an excellent Village Trustee.

Cristina meets with children at Ossining's Portuguese Center.

Councilman Mike O'Connor says,

“Cristina will be an outstanding addition to the Village Board.”
